I am not allowed to comment on comments because I am unable to login to my account or verify my email address. Why is this? A: I am now able to comment once I clicked "Post Comment" and marked "I really want to leave a comment". I had just sent off a similar message to staff-

reorganization@espn.com a few days ago because I didn't know where else to send this. The email address doesn't look like an ESPN one so I assumed it would not take long for someone to figure it out and fix this issue. Thanks to all who took the time to research this with me! Although I had not started the email process this would not have prevented me from posting this question. Q: Undefined error in template when passing data from DataTable to child template I'm using the Datatable plugin and the #defer method in my templates to generate a drag and drop functionality. When all the data is in the DOM, everything works fine. However, when I change the dataTable to defer the filling, I get an undefined error in the corresponding child template. Here is an example: {{component.itemId}} {{component.itemId}} {{component.type}}
